### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew Gaffney on 7/29/04.

The application has been amended as follows: In claim 12, line 5, "first input" has been changed to "first output" and in lines 9 and 10, "second input" has been changed to "second output" and in claim 17, line 7, both occurrences of "the clock input" has been changed to "a clock input".

The following is an examiner's statement of reasons for allowance: None of the references of record teach a frequency comparator circuit as recited in claim 1 comprising a detector circuit that is configured to provide first and second reset signals wherein these signals include a parameter related to a difference between a first and a second frequency depending upon whether the first frequency associated with the first input signal or the second frequency associated with the second signal is greater, none teach the frequency detector circuit and first and second counter circuits connected in the manner recited in claim 12 and none teach a means for providing first and second reset signals from first and second input signals wherein the first and second reset signals include a parameter related to a difference between a first and a second

frequency depending upon whether the first frequency associated with the first input signal or the second frequency associated with the second signal is greater as recited in claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Margaret R Wambach whose telephone number is (571)272- 1756. The examiner can normally be reached on Monday, Tuesday, Thursday and Friday 6am-4:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Callahan can be reached on (571)272-1740. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
